POLICY

1. School profile

Maiden Gully Primary School was established in 1983 and is located approximately 50 kilometres north of Melbourne. We have 420 students enrolled from Grade 7 to 12 and 30 school staff members including a school nurse, a wellbeing coordinator and counsellor.

Our school grounds back onto native bushland, and we are surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Maiden Gully Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best,

both academically and socially.

2. School values, philosophy and vision

Maiden Gully Primary School is committed to providing a safe, secure and stimulating learning environment for all students. Students can reach their full educational potential only when they are happy, healthy and safe, and when there is a positive school culture to engage and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are inextricably linked.

It is fundamental to acknowledge that each teacher is a vital source of support and a determinant in the success of their students. The teachers at this school will work collectively to ensure that students feel valued and cared for, have meaningful opportunities to contribute to the school and can effectively engage with their learning. This school recognises the need to be engaging and inclusive, recognising and responding to the diverse needs of our students, accommodating different learning profiles and rates of learning and intervening early to identify and respond to individual student needs.

Our school strives to be a learning community where students and teachers can relate well to each other, and where different ideas and viewpoints are valued and respected.
